Michael Fenn Biography:

Michael Fenn, regional man of mystery, is in his twentieth year at Camdenton. He assists with the Pride of the Lake Marching Band, and is responsible for the second concert band, basketball pep band, and teaches IB Music and music theory. At the middle school, he assists Amanda Fall with the eighth-grade band. Under the director of uber-Maestro Fenn, the concert band has received "I" ratings for a while now - he honestly does not remember how long it has been. The basketball pep band is the talk of the town, if the town were made up of only people who went to basketball games, and he has successfully shepherded several students through the rigorous, yet rewarding, IB Music curriculum.

Mr. Fenn received his Bachelor of Science in Music Education from Missouri State University (nee SMSU), graduating in 1999, and is currently working toward a Masters degree in Curriculum, Instruction, and Engagement from Northwest Missouri State University. He is a member of the Missouri Bandmasters Association, the Missouri Music Educators Association, the National Association for Music Educators, the Totally-Awesome Boss Club, and Phi Mu Alpha Sinfonia.

In his spare time, Michael loves to concoct get-rich-quick schemes that will never work and usually backfire miserably, getting into hilarious misunderstandings with his two female roommates and his landlord, driving around town and solving mysteries in his talking, sentient automobile, and enjoying coffee and shenanigans with his five incredibly attractive and neurotic Friends. He is adored and missed daily by his beagle pupper named Parker.
