Tom Pannullo Biography:

Tom has been a part of the Pride of Lake Marching Band since the 2006 season. His primary role is teaching and developing our students within the rudimental marching aspect of our program. During his tenure, he continues to be a contributing member of our staff in other aspects as well. His experiences and input are a valuable piece of our program and continue to help our program grow.

Tom grew up in St. Charles, MO and then moved to Springfield, MO to attend Missouri State University. He currently resides in Springfield with his Wife Toni, and daughter Beatrice. His performance experiences include the Francis Howell High School fall and winter programs, a founding member of Gateway indoor until 2008, Missouri State University's Marching Band, The Blue Stars Drum and Bugle Corp in 2007, and a brief time working with Carlton Bernard. Tom is currently the General Manager of the White River Fish House in Branson, MO. Currently he spends his spare time teaching his daughter how to DUT at the proper volume and telling her stories of old about the New York Giant's superiority over Tom Brady and the New England Patriots.

We are pleased to have Tom back for his 15th season with our program and look forward to more to come.
