Troy Risner Biography:

Troy Risner is a 1988 Camdenton graduate and Marching Band Alumna. He rejoined the Band's Staff in 2012 as a Co-Designer and Technician of the Sound Enhancement team. He and his wife Jennifer run the Electronic Sound equipment during early morning practices, football halftime shows, and road competitions. The band benefits greatly as he doubles as our Videographer and Social Media promoter. He is also a current School Board Member. We are pleased to have Troy's expertise in electronics, audio, and video editing.

Troy is a 2nd generation Camdenton band member. Back in the day, he was a second chair all state tuba player under direction of Mr. Bob Rippee. And while at the University of Missouri, he was a Marching Mizzou Sousaphone player and in their Pep Band program.

Troy has a Bachelor of Science degree in Electrical Engineering. He currently works remotely from Camdenton as a Senior Engineer in the semiconductor industry for KLA out of San Jose, California (Silicone Valley) for the past 26 years.

Troy is a 7th generation to the Lake area and his family is some of the original settlers to the area. Back in the 1920's, it was at his family's restaurant in Old Linn Creek where the announcement was made to dam up the river to create our beautiful Lake of the Ozarks. He and his wife Jennifer have 5 children who have all participated in the band program. 2 Trumpet players, 2 Percussionists and 1 French horn player.
